This activity will enable your child's motor skills and improve their identification power.

EVS

Today we will learn about community helpers.

Community helpers include people like:-

Teacher

Doctor

Driver

Gardener

Let's do a fun activity children,

Thank You Corona Warriors

We all know how the world is fighting in this pandemic & how some people are serving the nation selflessly, so let's thank those warriors.

We will celebrate this week as "Helpers Week" by making beautiful thank you cards to appreciate their selfless act of helping the nation.

Use your creative ideas to make Thank You card & please share the pictures of your kids with card.
