

Years of Excellence

After serving St Mary's Public School for more than 3½ decades in different capacities (1984-2019 years) as Teacher, Administrator and Principal Dr. Thomas George has retired from service on 30/06/2019.

'Nothing can stop the man with right mental attitude from achieving his goal ', This saying is absolutely correct in case of this man. A school which started with less than 100 students in 1984 is at present having 3 branches with almost 4000 students . Under his guidance St Mary's has become one of the best public School in South Delhi.

If your eyes are sweet ,you would like all the people around you and if your tongue is sweet, all the people in this world will like you and slowly liking will be changed into love. With sweet tongue and soft spoken nature, Dr Thomas George changed the people and the world around him.

His tenure of Service will be written in Golden letters in the annals of St. Mary's Public School .We the Students ,Parents, Public ,teachers and the Management like you ,love you and thank you for everything.

Regards,

St. Mary's Public School

Mr. Aby Alex
