SMPS/NS/2018/206

Dear Parent,

It has been observed that in recent days late comers are growing up which has caused inconvenience to schools discipline. Now onwards bell will ring at **7:30 am and by 7:35 am** sharp gate will be closed, then after students are not permitted to enter. Also we request all the parents to enter school premises in a decent dress. Nicker/Burmuda etc. are not allowed inside the school complex. Expecting parents to extend full cooperation to maintain the school discipline.
